### **Sliding Fee Discount Schedule for Primary Health Care Services**

**Community Alliance Health Partners accepts Medicaid, Medicare, most commercial insurance, and self-pay for the primary care and dental services it provides.**

**No individual will be denied health care services by Community Alliance Health Partners due to an inability to pay for such services based on federal poverty guidelines.**

All individuals receiving health care services from Community Alliance Health Partners are eligible to apply for CAHP's sliding fee scale. The sliding fee schedule utilizes federal poverty guidelines to ascertain eligibility and is based solely on family size and income. Persons that are approved for the sliding fee scale are eligible for discounted office visit fees as outlined on Table 1 below. No sliding fee discounts will be applied for individuals and families with annual incomes above 200% of the federal poverty guidelines.

In order to qualify for discounted fees, you will need to complete a financial eligibility worksheet at the time of your visit and provide proof of income as applicable and within the timeframe requested. Individuals unwilling to provide any level of documentation are not eligible to participate in the Sliding Fee Discount Program and will be required to pay 100% of their charges until such time as they provide documentation. Insured clients, including those receiving Medicaid and Medicare Part B supplemental and Medicare Advantage Plans, must agree to access their coverage to the fullest extent available. Eligibility for the sliding fee discount schedule will be re-verified on at least an annual basis and whenever we are notified of a significant change in income or household status.

**Payment of fees and co-pays is due at the time of service.**

Community Alliance Health Partners' care coordination staff are available to help you enroll in Medicaid or our Sliding Fee Scale program, and they can explore if you may qualify for any other financial assistance or grant funding. Please let us know if we can be of assistance.

### **Programa de descuentos de tarifas móviles para los servicios de atención primaria de salud**

**Community Alliance Health Partners acepta Medicaid, Medicare, la mayoría de los seguros comerciales y pagos personales para la atención primaria y los servicios dentales que brinda.**

A ninguna persona se le negarán los servicios de atención médica por parte de Community Alliance Health Partners debido a la incapacidad de pagar dichos servicios según las pautas federales de pobreza.

Todas las personas que reciben servicios de atención médica de Community Alliance Health Partners son elegibles para solicitar la escala móvil de tarifas de CAHP. La lista de tarifas móviles utiliza las pautas federales de pobreza para determinar la elegibilidad y se basa únicamente en el tamaño de la familia y los ingresos. Las personas que están aprobadas para la escala móvil de tarifas son elegibles para tarifas de visita al consultorio con descuento como se describe en la Tabla 1 a continuación. No se aplicarán descuentos en las tarifas variables para las personas y familias con ingresos anuales superiores al 200% de las pautas federales de pobreza.

Para calificar para tarifas con descuento, deberá completar una hoja de elegibilidad financiera al momento de su visita y presentar comprobante de ingresos, según corresponda, dentro del plazo solicitado. Quienes no proporcionen documentación no podrán participar en el Programa de Descuento de Tarifas Variables y deberán pagar el 100% de sus cargos hasta que la presenten. Los clientes asegurados, incluyendo aquellos que reciben Medicaid, Medicare Parte B suplementaria y Planes Medicare Advantage, deben aceptar acceder a su cobertura al máximo disponible. La elegibilidad para el programa de descuento de tarifas variables se verificará al menos anualmente y siempre que se nos notifique un cambio significativo en los ingresos o la situación familiar.

**El pago de tarifas y copagos se debe realizar al momento del servicio.**

El personal de coordinación de atención de Community Alliance Health Partners está disponible para ayudarle a inscribirse en Medicaid o en nuestro programa de Escala de Tarifas Variables, y para determinar si califica para otra asistencia financiera o subvenciones. Por favor, infórmenos si podemos ayudarle.
